Accessing Feedback Provided Through TurnItIn

In order to complete the Reflection Assignment, you'll need to view and understand your feedback. Once you've received notice (by e-mail) that your essay has been graded, follow this four-step procedure to read your comments and understand your grade breakdown.
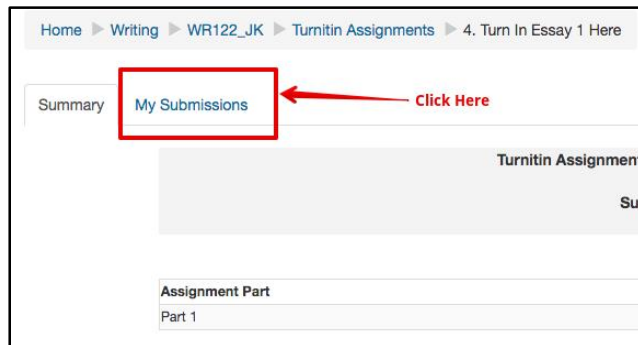

Step 1:

Return to the Week 4 Module and click on the original turn in link:

Step 2:

Select My Submissions from the top tab on the Assignment page.

Step 3:

Click on the title of your essay to open the TurnItIn Viewer.
(Note: this can sometimes take up to 30 seconds after clicking to resolve; be patient/don't freak out).

Step 4:

Click Grademark at the top of the screen to bring the Graded View up.

Within the grading screen, you have a number of options for viewing your feedback. The back page displays the layout and highlights the most important navigation features.

Next Steps: Once you've read your feedback, please complete the Reflection/Response Assignment available in Week 7 on Moodle and handed out at the beginning of this class.

TurnItIn Feedback Layout (The Grademark Page):

A: This is where you can view your paper. Hover over any blue comments to see further explanation.

B: Click here to **print** or **save** as PDF the full, graded version of your paper, complete with notes and the entire rubric. Please note: this printout will likely be over 10 pages for a 4-page paper.

C: If turned on, this will tell you the percentage similarity that TurnItIn found between your paper and others online/in its databases. We will discuss how to use this information in class.

D**:** This is where your grade will appear (out of 100%).

E**:** My end-note comments and/or a 3-minute audio recording of feedback will appear here.

F**:** Click here to view your score on the rubric.

Don't forget to complete the Reflection/Response Assignment in Week 7 after you've read your feedback!
